The Committee reviewed the previous minutes of the meeting held on 09.09.2016 and approved the same.

2. Review of Academic performance of SA-I exams and (Conduct of 1st Pre-board for class XII & Half yearly examination Class – XI).

After review of the SA-I result except 3 schools of Kashmir Valley it has been observed that the mathematics and Science result is not up to the mark. So Principals may identify the weak area of the students as well as the teacher and make the Plan for taking remedial classes, monitor them, Guide the students, Guide the teacher and accordingly decide the date and time for starting remedial classes.

3. Academic Loss compensation programme.

Due to Disturbance in Kashmir Valley the Kendriya Vidyalayas situated there could not function properly and due to which there was loss of studies of the students. In order to cope up with the loss of the study of the children, the Kendriya Vidyalayas of Kashmir valley were permitted to function during the autumn break. 08 Schools out of 11 schools have conducted SA-I examination and the remaining three schools i.e KV Aminoo Kulgam, Anantnag and Pahalgam the same will be decided when the situation is normalized there. Similarly there were closure of some Vidyalayas in Jammu Province and some KVs of Punjab. The Principals of these Vidyalayas may also take permission from Regional Office to run the classes during Winter break, if they feel so. But it must ensure whenever the extra classes are run the presence of the Principal is must in the school.

At National Level 377 Boys and 175 girls participated from KVS Jammu Region. Out of which, Jammu Region bagged 10 Gold 25 Silver and 25 Bronze Medals. Judo Girls Team got Runners up Trophy. 23 Players selected for SGFI and 15 Players in stand by who are also going to participate. This is a great achievement of KVS Jammu Region. However it was discussed that

During recent Games and Sports it has been observed that the participation of students was very less. The Games are equally important as compared to the class room transaction. Although Sub Standard teams are not allowed, therefore, the Principals should take initiative at the very beginning to prepare the students for participation at School level so that maximum no. of students could participate at Regional level and National level. Minimum one team one game should be adopted by each Vidyalaya.
