Saturday will be known as Fun Day for Primary Students i.e there shall be no routine teaching-learning on Text Book and Syllabus, instead various Fun Activities will be organized such as Club Activities, Remedial activities, Music, Art, Games & Sports.

For this day, Special Time Table is to be designed by allotting block periods (90 Minutes) for each activity. The available coaches in the Vidyalaya and also the willing parents who can contribute in making the students learn various Activities free of cost.

The Principal and HM is expected to plan in advance so that Fun Day activities may become more meaningful.

The above instructions are to be implemented from next working Saturday with proper announcement to the students and communication to the parents.
