महोदय/महोदया,

उपरोक्त संदर्भित केन्द्रीय विद्यालय संगठन मुख्यालय, नई दिल्ली के पत्रों के क्रम में आपको सूचित किया जाता है की विभिन्न कक्षाओं में परीक्षा पद्धति में आये बदलाव आपको समय समय पर क्षेत्रीय कार्यालय द्वारा प्रेषित किए गये हैं। उपरोक्त संदर्भित पत्रों के संबंध में आवश्यक जानकारियाँ आपके अनुपालन हेतू प्रेषित है :

1. In classes VI – VIII the student scoring E grade can be given one opportunity to improve their performance (**Letter referred at Sl. No .01**).
2. In Class IX the student failing in two of the five subjects shall be placed in compartment/supplementary in those subjects provided he/she qualifies in all the subjects of internal assessment. (**letter referred at Sl. No 03**). **Please refer Sl No 4 for 33% criteria for class IX.**
3. (a) In class XI a student has to pass separately in theory as well as I practical/project. The qualifying marks in each subject shall be 33%. In a subject involving practical/project work, a student must obtain 33% marks in theory and 33% marks in practical/project separately in addition to 33% marks in aggregate, in order to qualify in that subject
(b) They need to secure overall 33% (both taken together) in the subject to be able to pass that subject (**Ref letter sl No 4**)
(b) In order to be declared as Pass in Class XI examination, a student must obtain 33% marks in all the subjects(without additional subject).
(c) A student failing in one of the five subjects of examination in class XI shall be placed in compartment provided she/he qualified in all other subjects.
(d) Report of class XI has two parts I & II.

Part I indicates subjects without practical/project and a student has to secure 33% in each subject in cumulative pattern (A+B) separately for promotion to class XII.

$A=X+Y+Z$ where X is 10 marks weightage of periodic test I, Y is 10 marks weightage of periodic test II and Z is 30 marks weightage of half yearly exam.

B is 50 marks weightage of Session Ending Examination.

Hence $A+B = 10+10+30+50 = 100$ marks.

Part II indicates subjects with practical/project as per CBSE curriculum and a student has to secure 33% marks in theory in cumulative pattern (A+B) and 33% in practical separately for promotion to class XII. $A = X+Y+Z$ where X is 10 marks weightage of periodic test I, Y is 10 marks weightage of periodic test II and Z is 30 marks weightage of half yearly exam.

B is 35/40/45 marks weightage of theory paper in different subjects of Session Ending Examination.

C is 15/10/05 marks weightage of Session Ending Practical Examination.

Hence $A+B+C = 10+10+30+(30/40/45)+15/10/05 = 100$ marks.

- (e) A student has to appear mandatory in Session Ending Examination to be eligible for consideration of promotion to class XII.
- (f) The student has to appear in all the examinations to be declared Pass/promoted.
- (g) A total of 10 grace marks spread all over the subject with a maximum of 04 marks in one subject can be given to a student who has participated in KVS National/SGFI meet in the Academic year 2018-19. These marks can be given in the column of final weighted score to the extent needed to promote the student **and not to bring him/her in the zone of supplementary case.** (Ref letter sl NO 02.)
