Dear Ma'am,

Greetings !

This is with reference to our telephonic discussion this morning regarding the preparation for the new Academic Year 2017-18 in KV Shaala Darpan SES application. As mentioned to you, the activity for the new AY 2017-18 creation has been initiated on the basis of your approval on the checklist for New Academic Year.

After the creation of new AY 2017-18, the master data will get migrated from the current academic year 2016-17 to the new academic year 2017-18.

Therefore it is requested that during the this period, no data entry/updation in the MASTER DATA is undertaken by any school in the current AY 2016-17.

The master data in the SES refers to entries/updation in the following modules and screens:

- HRMS: Employee Masters & All Rule-based screens - Pay Rule, Grade Rules, Leave Rule, Leave Sandwich Rule, Employee Status Rule, Compensatory off Rules, Leave Deduction Rule, Attendance Rule, Employee Attendance Rule, Photo uploading
- Scheduler: Session Bell Timings & Sub Session Bell Timings for all Sessions
- Payroll: All Rules based screens - Pay Head Dependency Formula, Arrear Documents, Increment Rule, Arrear Rule, Payroll Rule, Employee Paymaster
- Library: Library Rule, Periodical Rule, Accession No. Generation Rule, DDC Rule Master, Media Master & Periodical Masters
- SMS: SMS categories and Templates
- Admission: Student Masters & Self Awareness Rules, Student Document, Photo uploading
- Attendance: Attendance Rule
- Purchase: Supplier Master
- Inventory: Store Master & Inventory Masters for all Stores

- Financials: Accounts groups, Account heads and sub-accounts heads creation

Transaction data entries undertaken during the current AY 2016-17 shall remain in the current AY in the SES application and therefore these can continue to be entered in the current AY 2016-17 till 31st March 2017 (E.g. Exam result entry, Class Attendance, Employee Attendance, Timetable updation in current AY, Financial voucher entries etc).

The approved new AY checklist for transfer of master data from current AY to new AY is attached herewith for ready reference.

From 1st April 2017 onwards, all entries pertaining to master data or transactions must be undertaken in the new AY 2017-18.

We would confirm the completion of the above activity and would share other details as required.

You are requested to kindly circulate the above information and the approved checklist to all ROs/Schools.

Assuring you our best services at all times.

With Regards,
MGRM MIP Team
