All Regional Office

Subject: Proposal for Development of Sports Infrastructure in Kendriya Vidyalayas.

Sir,

This office has been receiving proposals from different Regions for developing sports infrastructure in different KVs. The works Branch of KVS(HQ) while examining the proposal has found that the estimate submitted with the proposals are prepared by the agencies other than CPWD/MES . Due to the amendment of GFR these proposals are not being considered and are being return back to respective Regions, as amended GFR clearly states that the only estimate prepared by the CPWD/MES will be considered . Therefore, it is requested to your good self to inform all the Principals of the KVs under your Region to get the estimate prepared for sports and games and other facilities either by the CPWD or MES. The proposal prepared by any other agencies will not be considered.

In addition to that while submitting the proposal to this office, it is mandatory to enclosed the Checklist, drawings and recommendation of the Principal, Chairman VMC and Deputy Commissioner of the concerned Region for consideration of the proposal, so that the process of approval of the project is expedited.

This issues with the approval of Works Branch of KVS(HQ).
